

**Grand County Steam Management Plan (GC SMP) Update  
Stakeholder Outreach Kick-Off Meeting  
Wednesday, May 3, from 1:00 pm to 3:00 pm  
Zoom Meeting  
Meeting Agenda**

---

**1:00 PM Welcoming Remarks and Agenda Review**

**1:15 PM Overview of Grand County Learning by Doing (LBD) and History of the SMP**

- Grand County staff Kayli Foulk and Ed Moyer will provide an overview of Grand County LBD and the GC SMP's history, including Grand County's relationship and responsibilities pertaining to the Grand County SMP and its maintenance.
- Meeting participants will have the opportunity to ask clarifying questions about Grand County LBD and the history of the SMP.

**1:40 PM Overview of the Stakeholder Engagement Process**

- Samuel Wallace, Peak Facilitation Group, will provide details about the GC SMP Update's stakeholder engagement process, including information about engagement opportunities and stakeholder structures, protocols, and expectations.
- Meeting participants will have the opportunity to ask clarifying questions about the stakeholder engagement process.

**2:10 PM Break/Visioning Exercise**

Meeting participants will engage in a virtual exercise to share their vision for healthy streams and rivers in Grand County.

**2:35 PM Overview of the GC SMP Update Comprehensive Watershed Assessment**

- Jen Stephenson, Northern Water, and Katie Schneider, Trout Unlimited (TU), will provide an overview of the scope for the GC SMP's comprehensive watershed assessment. *Please note this presentation will cover the scope of the watershed assessment and not results; results from the assessment will be presented throughout the stakeholder process.*
- Meeting participants will have the opportunity to ask clarifying questions about the overview of the scope for the GC SMP's comprehensive watershed assessment.

**2:55 PM Next Steps**

- Additional engagement opportunities
- Future meetings
- Stakeholder survey

**3:00 PM ADJOURN**
